### Supporting Documents and Project Proposal for Qualification Review and Examination:

#### I. Proof of Business Registration or Incorporation

The Applicant's registered business scope shall include "General Advertising Services", "Book Publishing", "Printing", "Plate-Making", "Print Binding and Processing", or other related educational and cultural industries.

#### II. Proof of Creditworthiness

Certification issued by a bill clearinghouse within six months prior to the application deadline confirming that the Applicant is not a dishonored account holder, or certification evidencing no record of dishonored checks within the preceding one year.

#### III. Proof of Tax Compliance

Documentation evidencing payment of taxes, such as business tax (VAT) or income tax. For business tax,

submission of the receipt copy of the most recent VAT return filing shall be required. Where such documentation of the most recent period is unavailable, documentation from the immediately preceding period may be submitted in lieu thereof. For newly established entities that have not yet reached their first VAT filing deadline, a copy of the official approval letter for establishment issued by the competent tax authority, together with documentation evidencing application for uniform invoice purchase, may be submitted in substitution.

IV. Project Proposal (One Copy Required)

The proposal shall include:

- (1) Company profile, business operations, performance capability, and record of prior self-publishing achievements;
- (2) Implementation plan;
- (3) Market research and pricing rationale;
- (4) Sales channel analysis.

**Eligibility Requirements**

**The Applicant must have prior experience in self-publishing or co-publishing within Taiwan. Applicants lacking such experience shall be deemed ineligible for publication licensing, and the application shall be rejected.**
